Participants: Representatives of the project working groups from the S.Seifullin Kazakh Agro Technical University (P1), Shokan Ualikhanov Kokshetau State University (P6), North Kazakhstan State University Named After Manash Kozybayev (P7), the National University of Uzbekistan (P11), Tashkent University of Information Technologies (P12), Tashkent Institute of Irrigation and Agricultural Mechanization Engineers (P13), EXOLAUNCH GmbH (P5), TU Berlin (P2).

The list of participants is attached.

Objectives: Discussion of the results of the first year of the project, review of the work plan for the second and third year of the project.

Considered questions:

During the coordination meeting the representatives of the project working groups from Uzbek and Kazakh Universities exchanged views on the main issues on the progress of updating existing and developing new courses/modules, and other issues of the project implementation.

Decisions:

Given the speeches described above and the opinions and suggestions of the participants of the project, the following decisions have been made:

1. Each partner university should complete and send to the Project Coordinator (P1) a 12 Months Report. Deadline – 03.03.2020.
2. Within a month sign the University-Enterprise Cooperation Agreements with employers and other organizations, interested in the project results.
3. By the end of May 2020, complete the development of curricula description and syllabi for new and modernized courses/modules, which pilot teaching will begin in September 2020;

4. Organize communication between partner universities and exchange the information on new courses/modules in order to determine one of them, that will be common in the curricula of all partner universities.

4. In order to provide the further collection of peer reviews, all partner universities should exchange their new/modernized curricula description by the end of May 2020.

5. To determine the one university in Uzbekistan and Kazakhstan (in each country), that will be responsible for the publication of dissemination and teaching materials based on the subcontract.
